IV. Team capacity building

Four members of our team participated in the workshop on dealing with students with disabilities, and the availability of the fourth group social networking page from 14-17 February 2022.

It aimed to provide information about the types of disabilities (audio, visual, and motor). Knowing the challenges facing students with disabilities and how to integrate them into the center's activities, making social networking pages available for them and their participation in all the center's activities.
