Establishment surveys training

Establishment surveys training interview

UCCD Aswan completed 25 interviews to select Student for Establishment surveys training And select students to attend training for 2 days with Gisir and ILO

Providing a hall equipped with computers and the Internet to ensure the success of the training.

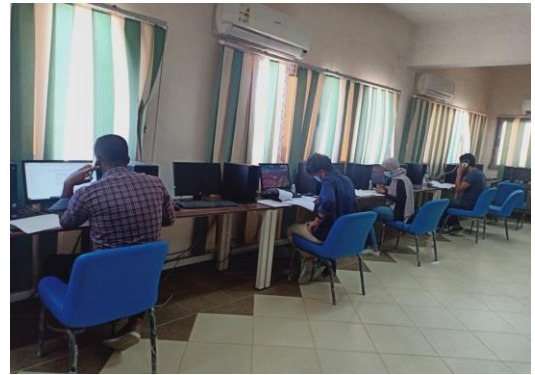

6 male and 10 female students attended the training for a period of two days, where the Gisir Foundation evaluated the students and selected the students in charge of preparing the surveys and contacting the companies

Follow-up students during training in theoretical and practical training from Gisir Foundation.

Selecting a number of students to train with the Gisir Foundation to learn how to conduct surveys of companies and private establishments who employ university and higher institute graduates who meet the conditions set in advance.

Two members of the center's work team attended theoretical and practical training for the Gisir Foundation for students of Aswan University, and the center provided all facilities to ensure the success of the training and the achievement of the desired goals.

University Management Meeting :

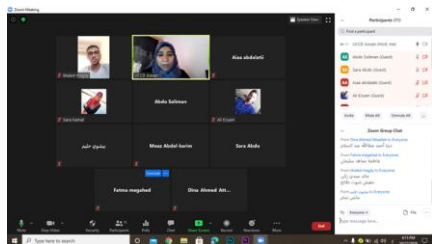

The approval of the Prof.Dr. The Dean of college of Medicine was taken to use the college’s computer lab in training volunteers to do labor market surveys, which was provided by Gisir in cooperation with ILO.

UCCD Training Highlights :

1) Interview / Registration/ Preparation of courses

UCCD Aswan completed 120 interviews this month. All round data completed in the system, in addition technical support has been provided for more than 80 students

Prepared for 5 rounds which we ran during this month by making orientations meeting by Zoom for students who chose to for the coming rounds in order to ensure that they can use zoom online and solve their technical problem in addition to explaining and receiving all documentation processes and documents needed.

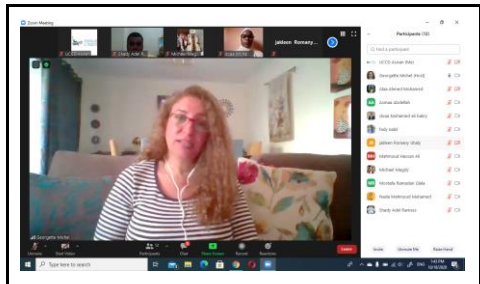

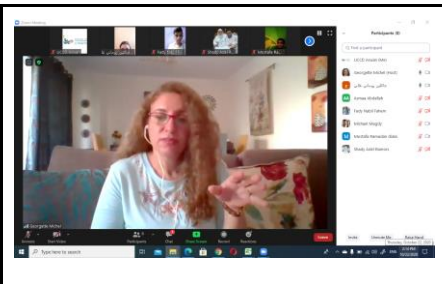

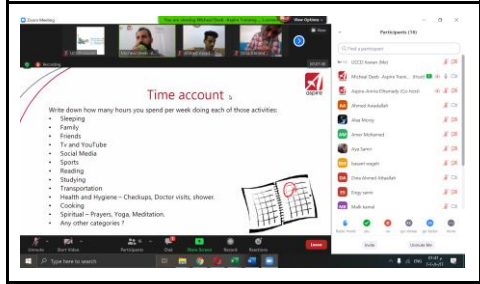

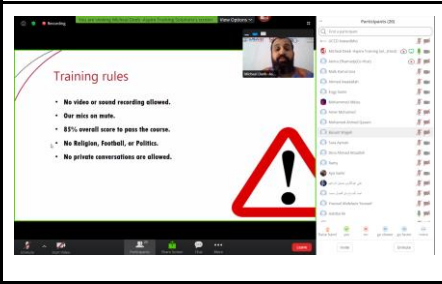

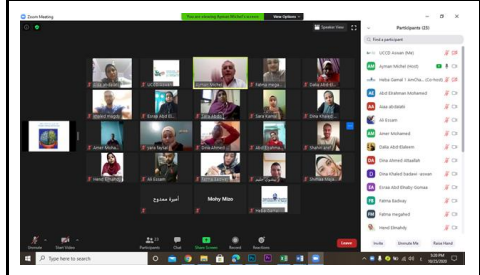

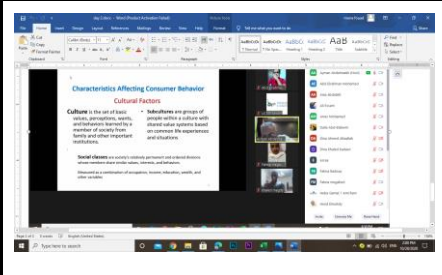

+16 Training:

During this month the center ran 5 rounds in different fields VEST, HRT,MkST,QCT.

Course\Round	Total	Male	%	Female	%	Disable

		<p>HRT R1</p>
		<p>VEST R1</p>
		<p>MKST R1</p>

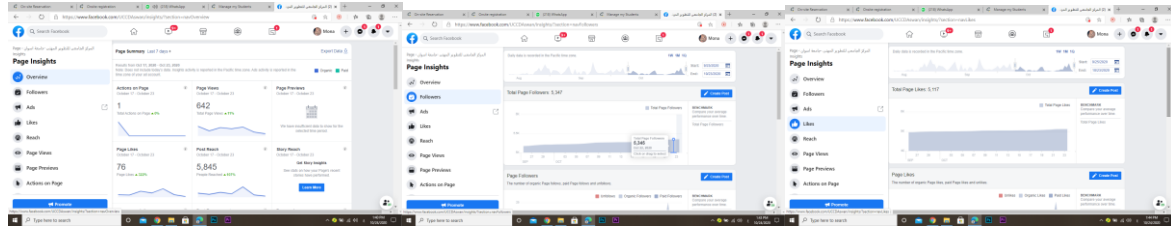

One to one session

we run during this month 2 resume critique session

Course \ Round	Total	Male	%	Female	%	Disable
resume critique	2	1	50%	1	50%	0

Facebook Management:

UCCD Aswan – Facebook page, the page reaches over 5117 K likes, more than 5.4 K page views, posts reach exceeds 7.8K and post engagement exceed 9.5 K, and more than 5347 K followers.

Launching a campaign to introduce the center:

The center started a campaign to introduce the center to students by welcomed students in the new Aswan branch and presented chocolates wrapped with a positive messages and has contacted information of the center,

Orientation was done about the services provided by the center ,as well as competition to create the name ,logo and message of the center from the letters, and the volunteers participated in every step to bring out the day well and during the event ,more than 90 students from the faculties of literature, law and allsun were contacted

Career opportunities:

The center announced training opportunities at Fekra cultural center in three fields, including two in the field of artistic crafts for all faculties and one in how to deal with autism cases in integration schools for students of Education faculty in the department of childhood, by 4 opportunities for each training.

Success story

Among the students' stories we stopped at Zahra Ahmed Saeed, 2020 graduate from the faculty of Education English Department who got a job at Sabeak El-Dahab-Aswan branch, and the journey with the center started in a customer service course then she participated in a job fair to attend a CV writing workshop, then a consultative session for resume critique, and also attended the interview workshop which was held by colloprote with UCCD Sohage, and finally the team supposed to have a coaching in a mock interview and by chance she was a case she attended the center the IT specialist gave her some tips for the interview and how to answer the questions that may be asked she told us "where are you before now" and she actually got a customer service job

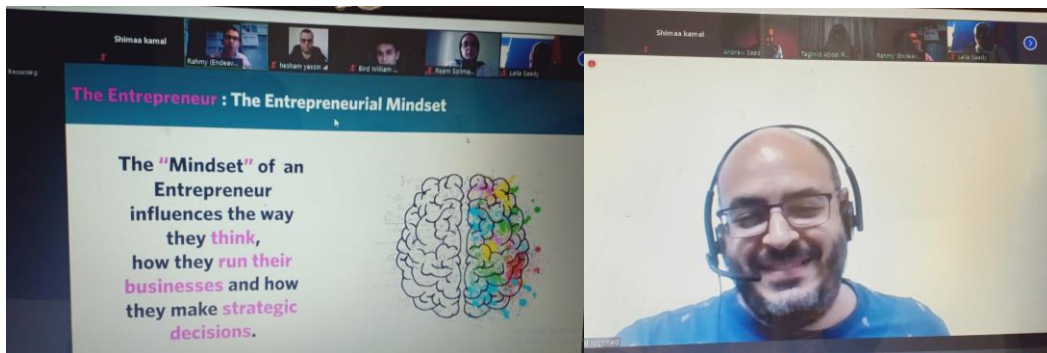

Challenge

We face the challenge to make students register and reserve on the system .

Staff capacity building:

- Four of the team attended a training with Endeavor TOF Session Topic: Founders & Startups.
- Two of the team attended a training with Gisir on labor market surveys with 16 volunteers.

Plan for Next period :

We arrange for 2 resume writing workshops every week.

We arrange for 4 orientations to introduce students to the center's services.

We arrange for a preparation camp for students who volunteer to work at the center this year.

We arrange for 2 infositions (1 online- 1offline)
